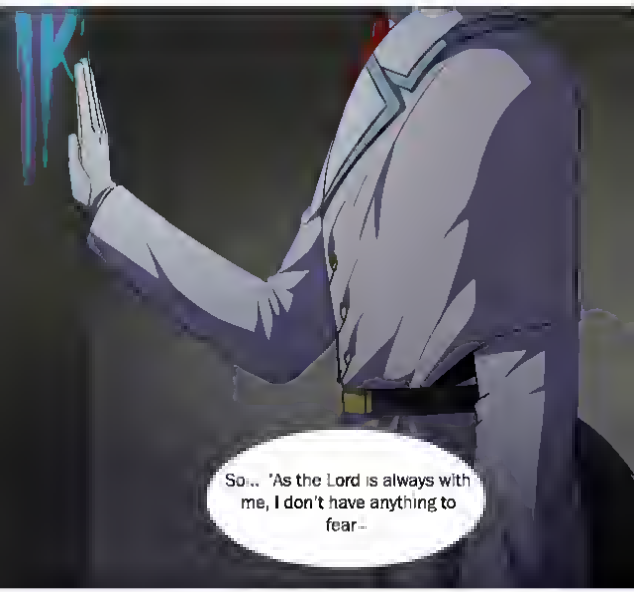
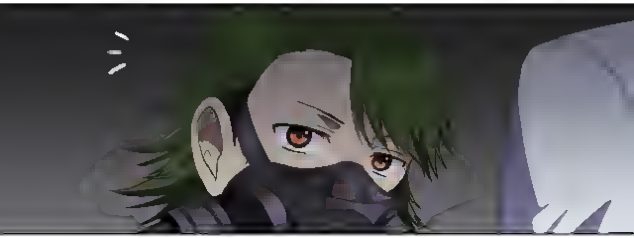
Ishtar was here.
...Certainly.

Pick up the body
Yes sir.



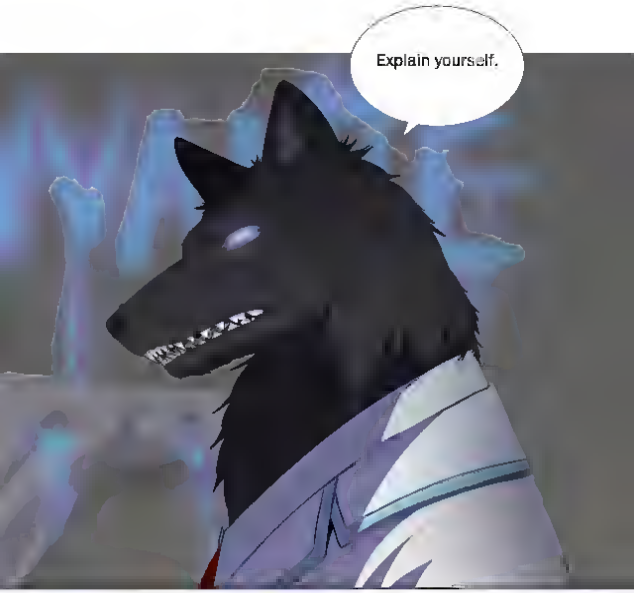
So... "As the Lord is always with me, I don't have anything to fear–

Damn you...



Guilliel, where are you going?
...I have to check something.

Wait...



Explain yourself.

Ding Dong~

... Ohh...

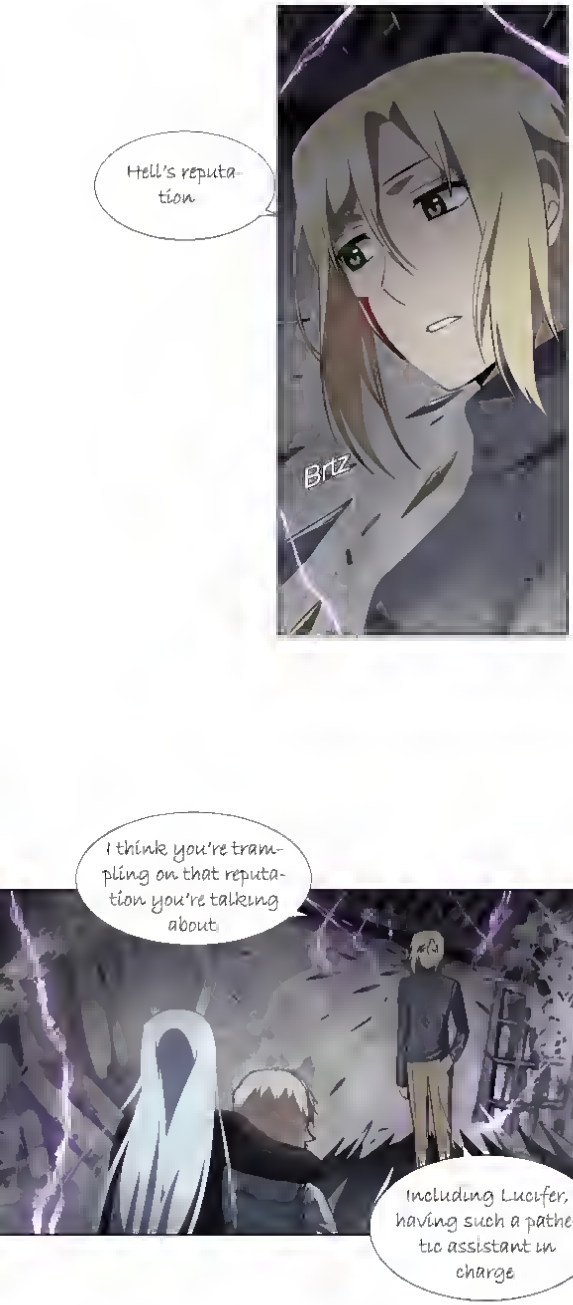
Brtzz...

Now, you want to save this human, don't you?
Then how about surrendering silently?

Firstly I'll remove that shell of yours, loser
You don't know how hell's reputation has been because of you. Only thinking about it makes me shiver



Hell's reputation
Britz
I think you're trampling on that reputation you're talking about
Including Lucifer, having such a pathetic assistant in charge

Shut up!!
If Lord Lucifer had led the troops, then we would have won the war!!
But of course, you lost against the angels and escaped like a coward!
This time I'll have your head and bring it to Lord Lucifer-
Damn it, are you listening to me?!

You asked me if I wanted to save that human?

Ishtar, you're still so naive

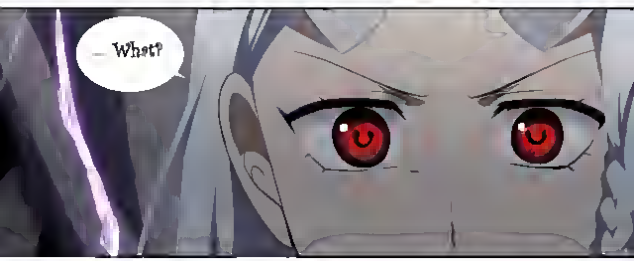
——?!
She is dead?
Since when?! But if she was alive a moment ago
Humans have a very sensible organ called heart.
And they need a special care
What a coincidence that she hasn't taken the pills she should have tonight

... In a very casual way.
...!!

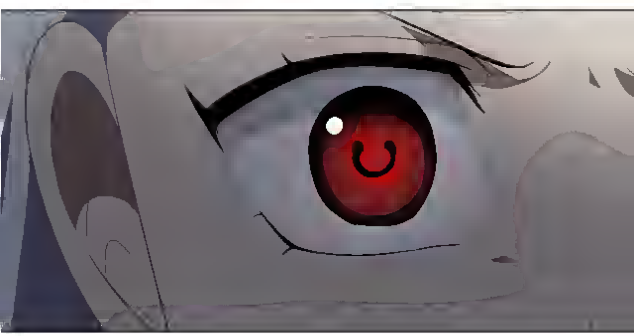
Throws
Down...!
A freak like you who only lives hidden from the humans

Looks like you made a barrier.
I appreciate it.

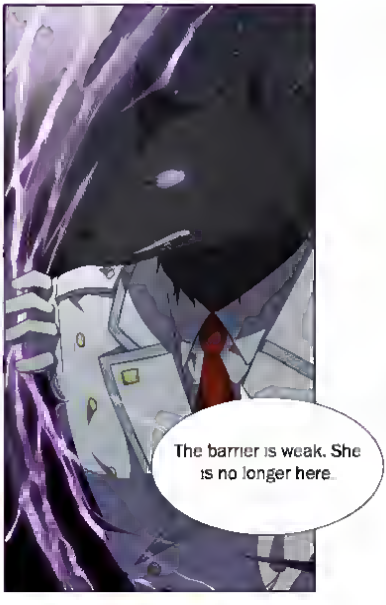
I'm busy these days... So I don't have time to waste with useless things.
I'll need your help.



What?



Opens



The barrier is weak. She is no longer here.

I will send the searching team
Okay...

Is this the human that made you worry?
Yes, sir Zadkiel.

Looks like I was thinking about useless things.
